Logic Limerick

Using the clues in the limerick, determine which project each of the 3 crafters created, and for what occasion.

I'll admit the limerick is…well, not the best. But it makes me laugh, and that's something. I found it grew on me after 64 readings, so if you hate it, try reading it 64 times. My mother called it "poetic license." I say that anyone who tortures rhyme in this way should have her license revoked.

Three crafters made gifts for someone,
For a birth, graduation, pure fun.
The bracelet came from Leigh;
The card or birth gift from Cherie.
Neither quilt or "for fun" were Kate-done.

Send an e-mail with PUZZLE CONTEST in the subject line, then list each crafter, what she made, and for what occasion in the body of the letter.
